

We are pleased to announce

our newest Associate Michael Toolan, Architect AIBC

Since joining NSDA Architects in 2011, Michael has played an instrumental role in the growth and success of the firm, working on the delivery of residential mixed-use projects, affordable rental housing, and supportive housing. As Project Architect, Michael enjoys the initial stages of design and its evolution through to the construction process. In his new role, he will continue to provide the highest standard of client service.
